

## Alphabet Waltz

1. Play the music alphabet forward and backward on the piano with your RH second finger. Begin on the A below middle C.

2. White circle notes (  $\circ$  ) are held longer than black circle notes (  $\bullet$  ).  
Count aloud while playing by saying: A hold B C hold D E hold (etc).
3. After hearing the introduction on CD 9, play *Alphabet Waltz* by going forward in the alphabet when the notes move up and backward in the alphabet when the notes move down. Begin on the first A below middle C and play with any finger of your right or left hand.
4. After hearing the introduction on CD 10, play *Alphabet Waltz* again at a slightly faster tempo.
