1. Which kind of note is half the value of a quarter note?
2. If an 8th note by itself has a flag, what connects two 8th notes?
3. What kind of rest looks like a bird flying sideways?
4. What kind of rest hangs from the 4th line?
5. What kind of rest sits on the 3rd line?
6. If notes symbolize sounds, what do rests symbolize?
